IN BRIEF

Located in a peaceful setting within walking distance of the charming village of Léoville, this character property offers an excellent renovation opportunity in a sought-after location. The village benefits from a restaurant and bar, primary school and post office.

The roof was replaced in 2021, but the property now requires comprehensive renovation, including installation of a heating system, a new septic tank installation, new electrics, kitchen, bathrooms and complete internal updating. The living space is currently arranged over the ground floor but there is a large attic offering excellent potential for additional living space (subject to the usual permissions).

An attached barn (requiring full renovation including roof) and several smaller outbuildings further enhance the scope of this project. A fantastic opportunity for buyers looking to create a home in a beautiful rural setting with lovely views.
