On the ground floor, you'll find a medical centre and daycare facilities.

Les Chalets d'Offaz is a building imbued with the spirit of the mountains, with the charm of tradition added to a fine touch of modernity: all the flats have Lumicene® bay windows, providing a living space bathed in natural light.

Abondance is a mid-mountain resort with the charm of a typical Savoyard village that has preserved all its authenticity. With its village centre, its Abbey (listed as a Historic Monument), its famous cheese, its downhill and cross-country skiing, its walks and mountain bike rides and its lake, there are plenty of reasons to come and enjoy a relaxing setting and a gentle way of life.

We also offer other flats, from T2 to T4, with garages and ski lockers. These properties can be sold 'ready to decorate', offering a more economical option for those on a tight budget. They can also be offered without a parking space or garage, which further reduces the price of the flat. Please do not hesitate to call me to discuss the various options available.
