IN BRIEF

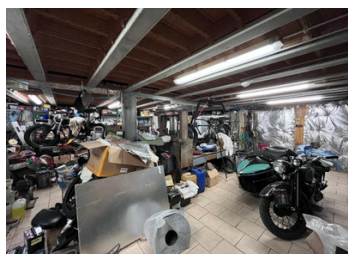

A large well-insulated 200m2, 4 bed home plus a studio apartment, equipped a recently installed heat pump, solar panels, 3 phase electricity supply plus a 12v system to make the property off-grid if required. A wood burning stove is also connected to the central heating and hot water system to give low running costs and complete flexibility how to heat the property.

No neighbours whatsoever, completely private and a massive 3 hectares of land with free usage so can be bought without the normal obligatory requirement of an agricultural activity. Suitable for horses and yes, the sheep are including if you want free lawn mowers.

Under normal circumstances it is not possible to buy 3 hectares unless you are a farmer. The only exemptions are when it's one single land parcel including the house or in this case, land with...
