IN BRIEF

A magnificent character house with surprising potential.

This Charente farmhouse and its adjoining barn form a superb family property. These 2 communicating houses could easily be made independent to create a gîte or guest house.

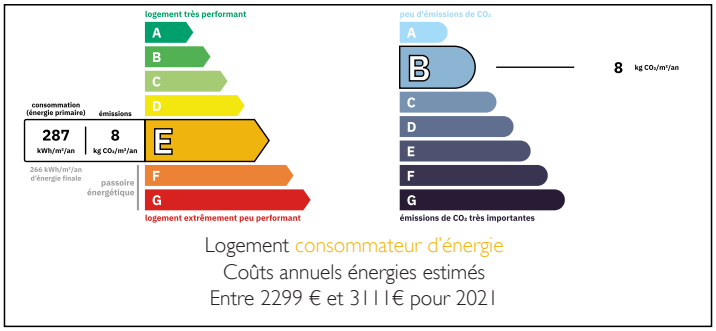

Another charming gîte is almost complete, with completely independent access to all the houses.

The vast, recently built 100 m² hangar/workshop offers excellent commercial or leisure possibilities.

You will also be able to enjoy the unoverlooked exteriors in the adjoining garden, which is perfectly planted and maintained.

All the renovations and joinery are of the highest quality, giving the houses comfort and charm. Exposed stonework and beams, parquet flooring, fireplaces, Charentais-style floors, wells : all the features of a property with soul, history and character.
