IN BRIEF

Beautiful 3 story character property in picturesque medieval village. The village has a restaurant / café around a fountain and views of the surrounding countryside. Unusual for this type of property it comes with a garage on the ground floor. The house has many original features including 2 wood burners and expose stone walls. There are 2 separate terraces and a terraced garden at the back of the property. The house can be accessed separately on each level making it very flexible on how it can be used. This makes a perfect holiday home or permanent home since the property is double glazed and has reverse air conditioning plus Internet.
