NOTES

DESCRIPTION

Here you have found an absolutely stunning property, beautifully and tastefully restored and recently updated with double glazing, an efficient heating system and an up to date septic tank. It offers a spacious family home, sitting in the middle of $\pm$ 1 hectare of garden, surrounded by mature trees without being entrapped.

The open plan kitchen/diner invites you to have long dinners with family and friends. It has access to the front of the house as well as to the terrace and garden at the back.

The kitchen is in the center of the house. To the right you will have a spacious and light sitting room with windows on two sides. The sitting room has got a chimney with log burner. This chimney works also as a flue for the large master bedroom, which is situated next to the sitting room. There is an insert-log burner here, as well as an ensuite bath room with a bath, double washbasins and toilet.

To the left of the kitchen you will find two/three more bedrooms (one with a fire place) and a shared bathroom (bath tub, shower and toilet). One of the bedrooms has got garden access.

Upstairs are two more bedrooms (although you have to go through one to get to the other) a shower with wash basin and a separate toilet. Part of the attic (which is insulated but not plaster-boarded) can be converted into two more bedrooms.
