NOTES

DESCRIPTION

Upon entering, you're greeted by a spacious built-in closet, perfect for coats and shoes, followed by a large, enclosed pantry that offers ample storage.

The main living area, spanning around 65 m², serves as the heart of the home. This bright, open space includes a dining area, a living room, and a kitchen, all flooded with natural light from large windows that connect seamlessly to the outdoors. A central fireplace, positioned at the room's core, not only creates a cozy ambiance but also efficiently heats both the main living space and the upstairs mezzanine, ensuring warmth throughout the colder months.

The entire house features geothermal underfloor heating, providing consistent and energy-efficient warmth across all rooms, enhancing comfort year-round.

The ground floor also features three beautifully designed bedrooms, each equipped with generous built-in wardrobes to maximize space and keep things organized. A modern bathroom, complete with both a bathtub and a shower, meets the needs of the entire family, while a separate WC adds extra convenience.

Upstairs, a spacious mezzanine of approximately 57 m² offers a versatile area that can be tailored to your needs and desires. Whether you envision a fourth bedroom, a playroom for the kids, a quiet reading nook, or a cozy TV lounge, the possibilities are endless. This additional level adds flexibility to the home, providing multiple options for space utilization.

The entire house is equipped with a central vacuum system, simplifying maintenance and ensuring a clean living environment with minimal effort. This modern feature...
