NOTES

DESCRIPTION

This rarely available 5 bedroom luxury chalet is liveable all year round as the owners are including the snow mobile and tracked vehicle. From the chalet, it's just a 3 km drive to access the village of Essert-Romand where the roads are cleared of snow all winter.

The Graydon refuge is just a five minute walk from the chalet

Please note, if you wish to run the chalet as a business, winter rentals are complicated as the road up to Graydon is officially closed from November to March. Access is possible by tracked vehicle but contact us for more information.
