DESCRIPTION

The entrance to the house is off one of the quaint, narrow, curved streets of the snail shell-like Circulade of the original village.

Ground floor has a large sitting room/dining room (27,2m²). There is a storage room and separate guest toilet in the area under and behind the stairs. On the other side of the entrance hall is a large kitchen/diner (16,9m²) with basic fittings and a large window looking out onto the curved street.

Upstairs on the first floor are 2 bedrooms (11,6m², 13,8m²), joined by an interleading bathroom with bath/shower, bidet and toilette. On the other side of the stairway landing and up 5 stairs, is a third bedroom (12m²), with an ensuite shower room with basin and toilet.

On the second floor is another 2 bedrooms (12,6m², 11,2m²), joined by an interleading room with sink, which is used as a laundry room. Again, on the other side of the stairway landing and up 5 stairs, is the sunny roof terrace with laundry washing line and a built-in barbeque area.

It hopes to develop it into a public space with seating, paving and a village store/café and to move the post office there, to a new location on La Placette.
