DESCRIPTION

The Farmhouse

The farmhouse opens into a welcoming entrance hall, leading to a practical boot room complete with a dog shower, together with a separate laundry room (4.5m²).

At the heart of the home is the spacious 34.5m² living and dining room, centred around a fireplace with a wood-burning stove, creating a warm and inviting space for family life. A staircase at the far end of the room leads to the first floor.

An archway opens into the fitted kitchen (13.9m²), featuring quality Mobalpa units and an Italian Aga-style range cooker. From here there is access to a separate WC, the covered timber terrace, and the adjoining guest accommodation.

Upstairs, the generous landing leads to two bedrooms (13.8m² and 7.2m²) and a spacious family bathroom with shower and WC. Original wooden doors add character throughout this floor.

The Gîte

Adjoining the main house, the self-contained two-bedroom gîte offers flexible accommodation, whether for extended family, guests or holiday letting.

It comprises a bright living and dining room (32.5m²), fitted kitchen (6.25m²), two bedrooms (11.3m² and 11.5m²), and a shower room with WC (5.82m²). Finished with exposed woodwork, timber floors and wooden doors, the gîte also benefits from its own private terrace overlooking the gardens.

Outbuildings & Grounds

Adjoining the house is a substantial stone barn of approximately 85m², currently used as a workshop. Featuring exposed beams and excellent ceiling height, it provides excellent storage or workspace.
