IN BRIEF

This former garage and mechanics workshop has a good village location and a large open plan space ideal for repurposing as a garage, barn or hangar. It can house multiple vehicles and has two separate entrances and a garden space to the rear. The land is also constructible so could be rebuilt on the footprint of the existing structure. An excellent business opportunity and priced to sell.

NB. Quoted prices relate to euro transactions. Fluctuations in exchange rates are not the responsibility of the agency or those representing it. The agency and its representatives are not authorised to make or give guarantees relating to the property.
