NOTES

DESCRIPTION

This detached house has had a lot of the major works completed. It is left in such a way that it allows the new owners to really make it their own. This includes a brand new, conforming, compact filter fosse septique.

Downstairs it comprises of: Entrance into large kitchen/diner with fireplace and double doors out to the back garden. Off of here is a lounge with windows to front. A door leads through to what at the moment is a downstairs bedroom with its own W.C and shower, window to the side.

Upstairs on the first floor (originally the attic) there is the layout for 2 bedrooms, one on suite and a family shower room/W.c. What would be the main bedroom has double paned window. It already has the permission for a Juliet balcony from the main bedroom, 4 veluxes - 2 in each bedroom. The small building with the cellar has also already got permission to make it into a habitable space.

The garden is not overlooked and the view is out over fields.

The property is just over 3kms to the quaint little market town of Aigurande with its local shops and supermarket and 95 kms to Limoges airport. The city of Chateauroux is 51 kms which has all amenities including a large hospital. The pretty town of La Chatre is also just 29kms.

A great project with a lot of the work already completed.
