OFFER ACCEPTED This stone longère to renovate is situated in a quiet location off the beaten track near Kergist, Pontivy and Mur-de-Bretagne. With beautiful views over the valley from the back, this property is a blank canvas to create your dream country home - with the charm and character of an ancient exterior, combined with the comfort of a newly constructed home within.

Ideally situated on a quiet lane near the pretty village of Kergist, this property allows easy access to the large regional town of Pontivy and the popular town of Mur-de-Bretagne near the popular tourist spot of Lac de Guerlédan.

Electric was previously connected and the water network runs along the lane in front of the property. A fosse septique was installed by the current owner and only requires light work to bring it into line with current...
