DESCRIPTION

Accessed by a private driveway, the buildings surround the central courtyard. The main building of approximately 328m² has two entrances, one for the owners accommodation and the other for guests of the bed and breakfast. There is a large open plan kitchen, dining and sitting room with a log burner and oak flooring. A staircase leads to the owners bedroom and ensuite bathroom and a dressing room (or second bedroom). There is also a useful laundry room on this side.

A central dining room with beautiful parquet flooring links the owners side with the guest side. This leads through to the bed and breakfast which has a reception room, a lounge and a WC on the ground level. The stairs lead to three bedrooms each with their ensuite bathrooms.

The first of the gîtes is 111m² and consists of a bathroom, kitchen and living room on the ground floor, and three bedrooms and a bathroom on the first floor.

The second gîte of 55m² consists of a living room, kitchen and bathroom on the ground floor and two bedrooms on the first floor.

The third gîte of 63m² consists of a kitchen and living room on the ground floor, and a bedroom with shower room on the first floor.

The three hectares of land surround the property with a small pond. The property also has a large barn (approx 300m²), a heated saltwater swimming pool and sauna.
