DESCRIPTION

On the ground floor, a vast living room invites you to imagine warm reunions, dinners under the ancient beams or long evenings by a future fireplace.

Upstairs are three rooms with undeniable character, one of which boasts a splendid painted ceiling, listed as a historic monument - a real work of art to be admired every day.

In the attic, an 82 m² space awaits you: artist's studio, master suite, library? Let your imagination run wild.

Outside, the façade and part of the roof - both protected - bear witness to the building's prestigious past. On the garden side, a green setting surrounds the house, punctuated by two former gaols: an unusual detail that adds to the charm and authenticity of the place.
