IN BRIEF

Ideally located in a small hamlet between Saint Martial de Nabirat, Daglan and Cénac, this old property is ideal for a gite à la ferme project, for example.

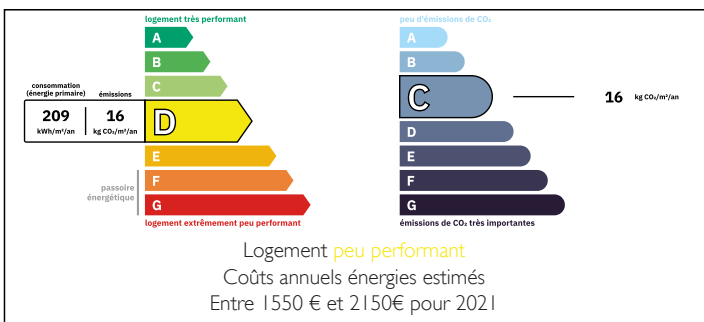

Set in a quiet hamlet, the property overlooks the surrounding meadows. The main house features a large kitchen and living room, and upstairs 4 large bedrooms. There's an attached garage and a barn with its own garden and independent access, ideal for converting into a gite.

To the rear of the house, a courtyard with a 2-bedroom gite, and a huge adjoining agricultural hangar of over 200 m² on the ground, with 2 floors. In the meadow, another barn is currently used as a horse stall.
