NOTES

DESCRIPTION

An exceptional former farm combining heritage, and sustainable living, set in the heart of unspoiled Normandy countryside. This rare property offers refined living space, comprising an elegant main house and four independent guest cottages (gîtes), perfectly suited to a private family domain or a high-end hospitality project.

Fully aligned with contemporary expectations, the estate integrates eco-responsible technologies, including renewable electricity and sustainable heating solutions, ensuring comfort with reduced environmental footprint. Each gîte benefits from its private entrance, conservatory and excellent insulation, offering guests privacy and year-round serenity and comfort, an increasingly sought-after feature in the Normandy tourist market.

A hectare of land surrounds a true haven of peace, featuring a charming small pond, a natural stream crossing the pastures, and open spaces ideal for horses or a small-holding. The setting reflects the Normandy landscape offering rare tranquillity within easy reach of key destinations such as Rouen, the Seine valley, and the Côte d'Albâtre and the coveted and most visited Mont st Michel.

Previously awarded an important eco-standard, the property stands out in the French market as a benchmark for sustainable and responsible tourism, an asset of growing importance for discerning European and international buyers. Many purely bio produced meats and vegetable are produced in the area and at this homestead.

Additional features include a beautifully maintained eco - garden, private parking, an electric vehicle bornes, 2 animal shelters, and pasture land.

This is a golden opportunity to acquire a unique slice of Normandy that combines lifestyle appeal, ecological commitment,...
