IN BRIEF

In the heart of Apt, in a freshly renovated and very quiet neighborhood, close to a lovely tree-lined square, I offer you this charming apartment. The renovation is brand new and has been done with taste. It is accessible via a staircase with exposed stone wall.

The kitchen is well-equipped and practical, with a nice view of the rooftops. It leads to a comfortable living/dining area, equipped with air conditioning.

A hallway takes us to the bathroom and the separate toilet, and extends to the bedroom, which is also air-conditioned.

The bedroom has a large window with a view of the rooftops.

The rental yield is estimated at 8.25%, making it an excellent investment; given the quality of the renovation, one could also consider seasonal rentals.

On the technical side: an intercom.
