IN BRIEF

UNDER OFFER At the end of a wooded driveway, you will discover this property comprising a light-filled manor house, a double garage/workshop, a dovecote and outbuildings in need of renovation.

Surrounded by 3.7 hectares of parkland, part of which is wooded with trees over a hundred years old, this property stands out for its peaceful setting, 360° views, no immediate neighbours and yet close to all amenities. Habitable and lived in, this property deserves a good refresh or even partial renovation depending on the room.

Inside, you will be seduced by each room, which reveals the elegance of the old features: solid wood parquet flooring, period fireplaces, high ceilings, volume... A real journey back in time. On level 1, a large corridor leads to a fitted kitchen, a lounge and dining room, three bedrooms, a study and two shower rooms...
