DESCRIPTION

To the left, a bright and generous kitchen boasts built-in cupboards, ample storage, and room for a large dining table — the heart of the home. Just off the kitchen, a few steps lead to a glassed-in area ready for renovation. Previously a bathroom, it could become a utility room, back kitchen, or reopened to expand the kitchen further.

Across the hall, a spacious double lounge provides a warm, light-filled retreat. With a large wood-burning stove and room for generous seating, it's a perfect setting for relaxation and gatherings.

Upstairs, you'll find four generously sized bedrooms, each offering lovely views over the surrounding countryside — ideal for a growing family or hosting guests. A family shower room and separate WC add practicality and comfort.

The top floor reveals a vast attic space with great potential. Whether you envision additional bedrooms, a home office, or a creative studio, this area offers the opportunity to further expand and personalise the property to suit your needs.

This is a welcoming, flexible home with charm, space, and room to grow — all in a sought-after village setting.
