DESCRIPTION

This little village house is crying out to be renovated and loved. It comprises of a front entrance door which leads into what was the kitchen (2.7mx2.1m), there is a second room which could be used as a lounge(4.3mx3.1m). Two further rooms from a small hallway provided bedrooms (3.2mx3.1m & 2.7mx3.4m). There is a small shower room between the bedrooms(1.7mx1.4m).

The garden is a small fenced plot with private driveway to one side, lawn area and two small outbuildings which provide storage.

The property has been empty for some considerable time and will need a considerable amount of work however this could provide a wonderful holiday home or permanent home for someone who does not want the shackles of a high maintenance garden or high running costs.
