IN BRIEF

A rare house nestled in a charming Charente village ! Just a short walk from village amenities, this characterful stone house is a true haven of peace. Superbly and tastefully renovated, it offers four bedrooms, three bathrooms and toilets, and beautiful living spaces: a spacious kitchen/dining room open to the living room with a wood-burning stove, a beautiful adjoining barn ideal as a summer lounge or workshop, and a magnificent swimming pool and terrace, ideally exposed and protected. It has retained the charm and character of houses with a history and a soul (exposed stone and beams, old floors, fireplaces).

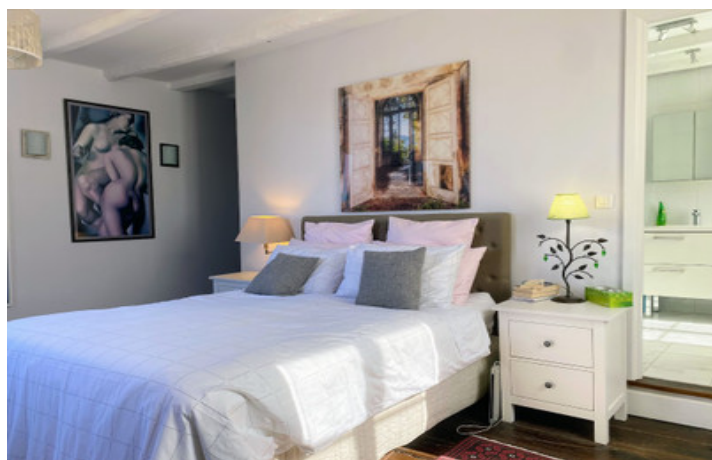

You can use the second hobby barn as a garage or workshop and enjoy the privacy of a heated swimming pool.

The exterior is landscaped and easy to maintain. Only 30km from Angoulême with its TGV train station for Paris and Bordeaux.
