DESCRIPTION

Designed to accommodate a variety of lifestyles and investment strategies, the chalet is cleverly divided into two independent dwellings, offering privacy, flexibility, and strong rental potential.

Garden-Level Apartment :

The lower level features a self-contained 2-bedroom apartment, complete with an independent entrance, generous living space, and direct access to the garden. This apartment is ideal for hosting guests, generating rental income, or providing staff accommodation during the ski season. Its layout offers comfort and practicality, making it an attractive standalone unit.

Main 4-Bedroom Ski Chalet:

Above the apartment sits the main chalet, a welcoming 4-bedroom home with classic alpine character. The living areas enjoy abundant natural light and open onto a spacious, sunny terrace of 39 sqm, perfect for outdoor dining, relaxing, and taking in the superb uninterrupted mountain views. The interior offers the charm of traditional chalet design while presenting an exciting opportunity for modernisation or reconfiguration.

A private garage provides secure parking and storage space for winter gear, bikes, and outdoor equipment. The property also benefits from additional cellar storage areas and practical utility spaces, ensuring convenience for year-round living.

With its solid structure and adaptable layout, the chalet offers excellent potential for renovation, allowing future owners to update finishes, enhance energy efficiency, or rethink the internal configuration to create a bespoke alpine retreat. Whether you envision a luxurious single-family chalet, a high-yield dual-dwelling investment, or a mix of both, this property is a compelling opportunity.
