IN BRIEF

Set in the heart of a popular village, with its bar/restaurant, village shop, bakery and other everyday conveniences, this surprisingly spacious home offers an inviting blend of character and comfort. At the rear, a private enclosed garden with pool and decking creates the perfect backdrop for long, lazy summer days.

One of this house's most appealing quirks is its reversed layout: the main living spaces are found on the first floor, where elevated views and abundant natural light create a wonderfully uplifting atmosphere. This bright upper level includes generous living areas and two bedrooms, while the ground floor provides two further bedrooms, ideal for guests, family, or flexible use such as an office or hobby room.

A charming and distinctive property offering, personality and a relaxed village lifestyle.
