NOTES

DESCRIPTION

Offering around 141 m² of living space, the ground floor includes a welcoming entrance with vestibule, two versatile rooms (11 m² and 9.45 m²) — perfect as bedrooms, a home office, or even a self-contained space — with direct access to the terrace. A laundry room, a shower room with walk-in shower, and storage areas complete this level.

Upstairs, you'll find a bright 34 m² living room with a fireplace, a brand new fully equipped open-plan kitchen, hallway with built-in storage, separate WC, a modern shower room, and two spacious bedrooms (12 m² and 13 m²).

Set on a private, fenced, and tree-lined plot, the property also features a large 39 m² garage with room for two vehicles.

Extra features: mains drainage, double glazing, and town gas heating.

Ideal as a family home or for a rental project with potential independent space on the lower level.
