NOTES

DESCRIPTION

The Main Residence

This charming home is ready to move into and offers an authentic Dordogne lifestyle. The entrance opens into a spacious and inviting living area, featuring a wood-burning stove, original parquet flooring, exposed wooden beams, and double-glazed windows that fill the space with natural light. Built-in shelving with subtle uplighting provides both practical and stylish storage.

The living area flows seamlessly into a fully equipped kitchen. A large pantry, a downstairs WC, and additional storage complete this level.

A glazed door leads onto a generous tiled terrace, shaded by a mature tree—ideal for enjoying the warmer months. From here, you can take in uninterrupted views across the surrounding countryside.

Upstairs, there are three bedrooms, including one with an en-suite, as well as a family shower room.

The third floor offers a generous additional space, ideal as a further bedroom, home office, or studio.

Guest Houses – Value Creation Opportunity

Two separate gîtes are already structurally prepared, with major high quality works completed (roofing, openings, structural integrity), allowing the new owner to focus on interior design and finishing. Once completed, they are ideally suited for:

High-quality seasonal rentals

Boutique guest accommodation

Hosting family and guests with complete independence

Projected Rental Income

The location and configuration lend themselves particularly well to the international holiday rental market.

This offers buyers the opportunity to develop a lifestyle-led income stream with attractive returns.
