IN BRIEF

William Darwen and Leggett are proud to present this exceptional opportunity to acquire a successful holiday village business in Normandy. Set within over 3 hectares of countryside, the property includes 9 holiday chalets, a heated swimming pool with spa and sauna, a function room, and a sanitary block. A large family home, currently divided into 3 residences, provides flexible accommodation for owners or staff. Just 13 km from sandy beaches, 33 km from Cherbourg ferry port, and 5 km from the N13, the location is ideal for both French and international visitors. With growing demand from UK, German, Belgian, and Dutch holidaymakers, there is excellent scope to expand the business, including the potential to add camping around 2 fishing lakes. With its leisure facilities and revenue potential, this is a rare chance to purchase a thriving hospitality business...
