DESCRIPTION

Downstairs you find a good size dining room leading to a fitted kitchen via a comfortable lounge. To the rear is a room configured as a bedroom (with downstairs bathroom and WC) which, in turn, leads to a terrace overlooking the pretty garden.

The outside space is laid mainly to lawn with some well established shrubs and has superb views over the Dordogne countryside.

Upstairs there are two further bedrooms and a room currently used as storage/office which is easily big enough for a double bedroom. There is an additional bathroom and WC on this floor.

The attic is large and head high and could easily be converted.

All in all a great house in a pretty village with excellent facilities nearby. No work to do, just drop your cases and start living your French dream.
