DESCRIPTION

Nestled in a quiet natural setting, just minutes from amenities and a tourist village, this estate extends over approximately 7 hectares and consists of a main house, a large 141 m² barn and a pool house with saltwater pool. The property offers a rare lifestyle, combining tranquility, space and development potential.

The main house provides around 120 m² of living space. On the ground floor, a 40 m² living/dining room forms the heart of the home, bright and welcoming, with a wood-burning insert. The 15 m² fitted kitchen is practical and modern. A 7.6 m² utility room adds functionality. Three bedrooms of 15.6 m², 14.2 m² and 13.6 m² create a comfortable night area. A 6.5 m² shower room with WC, shower and sink, plus a separate 1.5 m² WC, complete the level.

Upstairs, a 15.2 m² room, accessible via another bedroom, can serve as a study or fourth bedroom. At the rear, an 8 m² terrace leads directly to the fenced pool, ensuring smooth indoor-outdoor living.

The house is equipped with double glazing, electric radiators and a wood insert. A septic tank, although not compliant, remains functional. A 60 m³ water reserve fed by roof gutters supplies the house alongside mains water, with a switch system between sources.
