## DESCRIPTION

Services for lot number 1, measuring 633m<sup>2</sup>:

The authorised buildable floor area per plot is 300m<sup>2</sup> and 9m high.

On each lot, the networks are available for connection:

water, electricity, telephone (fibre), sewage, rainwater and a 7m<sup>3</sup> rainwater infiltration basin (normally at the purchaser's expense) and connection to the EP network.

Two parking spaces per plot.

Prepaid letterboxes, installed after the sale of a plot.

Double-layer, asphalted access road.

The installation of four street lamps after construction of the dwellings is prepaid.

Each lot is allocated 1/5 of the green spaces, planted with fruit trees, roads, stairs and a 40m<sup>3</sup> general infiltration basin.

(Retrocessions to the municipality possible according to the Free Trade Union Association after completion of construction. ASL Cosquer Morvan for maintenance of green spaces and common facilities).

The servicing works were inspected and approved by Morlaix Community and confirmed by a decree issued by Locquirec Town Hall (09/02/23) and by a decree authorising the postponement of the finishing works and the early sale of the plots (17/02/23).
