IN BRIEF

Plagne 1800 is a beautiful village in La Plagne, Paradiski and it is well known for being the chalet village in La Plagne. The location of these two chalets is superb; 100m from the piste, 230m from the Meleze ski lift and just a few minutes' walk to bars and shops.

The chalets are separate but share a common entrance; one chalet has 6 bedrooms and sleeps 12 and the second chalet has 4 bedrooms, again all en suite and with separate WCs.

The lounge areas are spacious and the views over Plagne 1800 are fabulous at any time of the year. The larger chalet has the lounge, kitchen, dining areas on one floor but separate; the smaller chalet is an open plan living space. Both chalets have lovely logfires.

The chalets come with jacuzzis and a sauna....

DESCRIPTION

Situated above the centre of Plagne 1800 and close to the piste (100m), these chalets offer beautiful surroundings, amazing resort and mountain views, incredibly close to the nearest chairlift (230m) and shops and bars. The nearby piste down to the Meleze chairlift has an access through the trees to the chalet so it can be considered ski- ski-out!

There are two chalets with a common entrance hall but otherwise completely separate and whilst the large bedrooms and shower rooms are decorated in a similar style, the living spaces are very different. Chalet Klosters (6 bedrooms, sleeps 12) is larger at 214.06m² living space and the lounge, kitchen and dining area are separate spaces on the second floor. Chalet St Moritz (4 bedrooms, sleeps 8), is 120.45m² and has an open plan lounge, kitchen, dining area. Both chalets have logfires and the living areas are incredibly cosy with beautiful views and the larger chalet has stunning views from the picture windows running the width of the room.
