## DESCRIPTION

Set behind a hedge-lined boundary and reached via a driveway that circles the property, this splendid south-facing home enjoys views over its own private one-acre lake.

The 5.5 acres of parkland include lush lawned areas, mature chestnut trees, a second quarter-acre lake, open countryside views, and a small cabin ready for renovation.

Flooded with natural light thanks to numerous French doors, the house offers a fitted kitchen and a lounge/dining room with a log burner. The ground floor also features two bedrooms, a bathroom, a cloakroom, and a separate WC.

Elegant marble stairs lead to the upper level, which comprises a spacious master suite with two dressing closets and access to a bathroom. There is also another bedroom with an ensuite shower room and walk-in wardrobe. A mezzanine is divided into an office area and an additional bedroom space, which also connects to the bathroom.

The basement, accessible by vehicle from the side, is arranged into a large garage, wine cellar, boiler room, and WC.

The property is equipped with a recent heat pump and is connected to mains drainage.
