DESCRIPTION

This spacious apartment enjoys a truly enviable position directly overlooking Lake Annecy, with panoramic views stretching across the water toward the Château de Duingt and the surrounding mountains. With a Loi Carrez surface of 97m², it is notably larger than most T3 apartments in the village and offers a comfortable, well-balanced layout suited to both primary and secondary residence.

The heart of the home is an impressive 53 m² living space, created by opening the original layout to form a generous lounge, dining and kitchen area. This room enjoys a strong visual connection to the lake and opens onto a west-facing balcony — an ideal spot to enjoy afternoon light and evening sunsets. A separate bureau provides flexible space for home working or occasional guests, while two well-proportioned bedrooms, a bathroom, WC and circulation areas complete the accommodation. The layout could be reconfigured to reinstate a third bedroom if desired, while still maintaining an excellent living area.

The apartment is presented in good condition, having been modernised by the current owners, and benefits from a clean, contemporary interior finish that contrasts nicely with the character of the surrounding village environment. A private cellar provides practical storage space, particularly valuable for bikes, water sports or seasonal items.

Set within immediate walking distance of Talloires' shops, cafés, restaurants, school and famous lakeside plage, the location offers a rare combination of village charm and everyday convenience. Talloires is one of Lake Annecy's most desirable villages, offering exceptional access to the...
