DESCRIPTION

Let's begin the tour! At the end of a small country road, the entrance to this property is private and well hidden.

We pass through the automatic gate and discover a majestic wooded park with a variety of trees and wide, leafy paths. Impressive!

Then, the large building gradually reveals itself with its unusual and elegant architecture.

We discover this complex, enhanced by beautiful arches, brick frames and an exposure that floods the facades with sunlight.

We enter the main house, which has been renovated with a combination of quality, comfort and authenticity, thus retaining all its charm.

The beautiful, light-filled entrance hall with its cement tiles and imposing staircase sets the tone: the magic is there!

First, a cosy little lounge in warm, natural tones welcomes us, and beyond it is THE incredible room you've been dreaming of: a former 100m² orangery housing a living space with a kitchen, lounge and dining room.

Simply magnificent! This double-aspect room benefits from exceptional light thanks to its arched bay windows on the terrace and front garden side and panoramic windows on the kitchen and office side. Such a room is unique, combining prestige and comfort.

Still dazzled, we return to the entrance hall, which leads to a beautiful 27m² bedroom, where the sun also shines in beautifully. Then there is a bathroom with WC, an incredible dressing room, and a former 25m² kitchen with a fireplace, which could be converted into a workshop, an office or another bedroom.
