DESCRIPTION

This well-located village house offers flexible accommodation across three levels, combining practical spaces with comfortable living in a sought-after rural setting.

The ground floor opens into an entrance corridor and provides excellent utility space, including a large 37m² garage and an impressive 40m² workshop—perfect for a handyman, hobbyist, or anyone needing storage or workspace.

On the first floor, the home opens into a bright and welcoming living area. The 16.9m² kitchen is light-filled and functional, equipped with an electric oven and gas hob, and provides direct access to a rear terrace, ideal for outdoor dining. The 25.6m² living room features tiled flooring, an inset wood burner, and patio doors leading out to a balcony. Also on this level are a 13.8m² dining room, a 15m² bedroom, a bathroom with shower and hand basin, and a separate WC.

The second floor offers two further bedrooms measuring 13.5m² and 11m², along with a good-sized attic space that offers potential to create additional bedrooms or living accommodation.

Outside, the raised garden enjoys lovely countryside views, with a shed located at the top of the garden providing extra storage. Heating is via the wood burner complemented by fuel central heating. The property benefits from double glazing throughout and is connected to mains drainage.

Coussac-Bonneval is a welcoming village, just 10 minutes' drive from St Yrieix-la-Perche, where you'll find major shops, services, and a hospital. This property works equally well as a permanent residence or a low-maintenance holiday home.
