IN BRIEF

From the moment you cross the little bridge, following the winding track all the way to the top, you will wonder about this property. And you will not be disappointed ! The appearance of the skilfully renovated properties, with the stunning views behind them, makes you stop in your tracks.

The main farmhouse has been redesigned and now houses 2 completely private gites (3 bedrooms and 2 bedrooms) on different (all ground floor) levels. The former barn has been completely restored and is now the main residence with 4 bedrooms (all with en suite bathrooms) and an indoor swimming pool. There are some small outbuildings with a garage and a workshop. The solar panels covering the roof on the outbuilding help to reduce the electricity bill significantly.

Woodland, an orchard and a small lake directly surround the property....
