DESCRIPTION

This property is situated on the edge of a small hamlet in the commune of Marval, Haute Vienne.

This property represents a full renovation project and offers an excellent opportunity to create a bespoke home in a peaceful hamlet setting.

On the ground floor, you enter into a room of approximately 20m² which could be converted into a comfortable living area. At the rear of the property there is a space that could accommodate a shower room with WC, along with a storage area housing the electric hot water tank.

The first floor is accessed via a staircase leading to a spacious room of around 26m², potentially to be used as a bedroom, benefitting from three Velux windows providing good natural light.

Adjacent to the living room is a large kitchen of approximately 27m², featuring an attractive large chimney and offering excellent potential to create a generous kitchen. A second staircase leads to an additional room of similar proportions, which could serve as a second bedroom.

The property sits on a plot of approximately 940m², offering a pleasant outdoor space with scope for landscaping, seating areas and parking. There are neighbouring properties nearby within the hamlet, giving a sense of community while still retaining a rural feel.

The building requires complete renovation throughout, including modernisation of all internal services and finishes, but offers generous volumes and a flexible layout, making it an ideal project for those looking to design and create a personalised home in the countryside. It...
