First floor

A huge 70m², south facing terrace leads to the front door but also double doors from the kitchen.

The kitchen is a fabulous space, double doors to the terrace, loads of light, modern and tasteful fitted cupboards and lead through to the lounge and dining area.

The lounge has enough space to seat everyone in comfort around a new log burner. There is a large balcony with views over the village and the mountains.

A panel in the ceiling with a pull-down ladder leads to a "surprise" room for storage or maybe for some quiet time away from everyone!

The dining room is spacious and the high ceilings are a really beautiful feature.

In between the two is an open staircase leading to the second floor bedrooms

Second floor

There are five bedrooms on this floor two of which have balconies. There is a bathroom (with WC) and a shower room as well as a separate WC. One of the bedrooms has a mezzanine which is currently used as another sleeping area.
