DESCRIPTION

Very pretty property situated in a quiet and friendly, rural hamlet.

This attractive home offers the flexibility of single-storey living, with all essential amenities available on the ground floor, while also benefiting from additional bedrooms and further potential upstairs.

The property has undergone significant professional renovation between 2022 and 2025, including updated electrics, new PVC double-glazed windows and doors throughout, and the installation of an energy-efficient air source heat pump providing both heating and hot water. The shower room and WC have also been fully renovated and feature a modern Italian-style shower.

The roof is in good condition.

While the majority of major works have been completed, some areas would benefit from updating cosmetically, allowing buyers to personalise the space to their taste.

Ground floor:

An entrance hallway (2.3 m²) leads to a spacious living room (22.9 m²) on the right and a kitchen/diner (16 m²) on the left. From the kitchen, a secondary hallway provides access to an additional entrance, the staircase, a bright and comfortable bedroom (12 m²), and a cosy snug/living room (11.3 m²) with an insert fireplace for added comfort. A pantry/storage cupboard is located off the snug. The recently renovated shower room (4.36 m²) and separate WC (1.71 m²) complete the ground floor.

First floor:

A landing leads to two bedrooms (9.27 m² and 13.59 m²), along with two substantial rooms (35.13 m² and 29.81 m²) that remain to be finished. These spaces offer excellent potential for additional bedrooms, a home office, or other uses...
