DESCRIPTION

Situated in the charming rural commune of Château-Chervix, just a short distance from Magnac-Bourg, this attractive two-bedroom property offers a wonderful balance of comfort, functionality, and countryside charm.

Positioned on a traditional sous-sol, the home benefits from an elevated aspect, allowing for lovely open views across the surrounding countryside to the front, rear, and side. Access is via an exterior staircase leading to a balcony, or internally through the lower ground level.

The main living floor opens into an entrance hallway. To the right, a bright open-plan living and dining room (approximately 25m²) provides a warm and inviting heart to the home, complete with an inset wood burner and tiled flooring — perfect for cosy evenings while enjoying the views.

The separate kitchen (10.5m²) is well-equipped with an electric oven, gas hob, extractor fan, and dishwasher, offering a practical and functional cooking space.

A central corridor leads to the sleeping accommodation, where you will find two comfortable bedrooms (12m² and 11.9m²), both featuring attractive wood flooring. The bathroom (6.3m²) is fitted with a walk-in Italian-style shower, hand basin and a heated towel rail, alongside a separate WC for convenience.

The property benefits from gas central heating throughout as well as double glazing to the main living areas and fibre optic internet — ideal for both everyday living and remote working.

The lower level (sous-sol) houses a large garage space, a cave, and an additional room currently used for storage, offering excellent potential for a further bedroom.
