DESCRIPTION

On the ground floor, you will find a spacious and bright living area with a modern open-plan kitchen, fully equipped with all comforts. The cozy living room features an insert fireplace. There is also a practical utility room (buanderie), a stylish bathroom with a walk-in shower and toilet, and a charming summer living area with direct access to the garden.

Upstairs, there are two generously sized bedrooms and a separate toilet with a washbasin. One of the bedrooms has its own private access to the outside via a characteristic natural stone staircase.

On the property, there is an authentic stone outbuilding divided into two sections. One part (approximately 20 m² with a loft) is accessible from the garden. The second part, with access from the street, consists of three levels and offers plenty of potential to be customized to your needs (for example, as a guest house, studio, or workspace).

There is also a 12 m² garden shed and ample space on the land to install your own swimming pool.

This property is fully move-in ready and combines comfort, character, and a unique location in one of the most beautiful regions of southern France. As an added bonus, the carefully selected furniture can be taken over, allowing you to simply bring your suitcases and start enjoying your new home.
