DESCRIPTION

Nestled in the heart of Maussane-les-Alpilles, this beautifully renovated stone house combines authentic Provençal character with elegant contemporary design. Thoughtfully reimaged, the property offers a luminous loft-style layout with seamless indoor-outdoor living.

The main living area is truly striking: a vast open-plan space enhanced by a cathedral ceiling, exposed beams, and natural stone walls. Bathed in light, it brings together the kitchen, dining, and lounge areas in one harmonious volume. Large glass doors open onto a sun-drenched south-facing terrace, while a garden to the north provides additional outdoor living and welcome shade in summer.

A wide spiral staircase leads to a versatile mezzanine overlooking the living space -ideal as a study, library, guest accommodation, or creative studio.

The property offers two elegant bedroom suites:

- A spacious master suite with walk-in wardrobe and full en-suite bathroom, opening directly onto the terrace
- A second bedroom with en-suite shower and basin, also with direct access to the terrace.
- A separate guest WC completes the layout.

Outside, the charm continues with a landscaped garden and terrace shaded by a magnificent mature plane tree - perfect for long Provençal lunches from spring through autumn. A fountain enhances the tranquil setting.

Additional features include a large cellier, carport, private parking, electric gate, an energy-efficient puits canadien (natural cooling and pre-heating system), and a pellet-burning stove.
