NOTES

DESCRIPTION

The original house was completed in 1985 and comprised an entrance hall, a utility room, two bedrooms, a bathroom, a toilet, a separate kitchen and a living room.

In 2006, an extension was added, alongside the refurbishment of the original house, to provide accommodation for elderly people and those with reduced mobility, featuring three bedrooms and two shower rooms.

The owners, now retired, have redesigned this second section by converting the shower room into a kitchen and the largest bedroom into a living room for use as a holiday let.

It would therefore be very easy to restore this property to its original layout to create a large family home.

The property features a 9.5m x 4m swimming pool with a wide wooden decking area, as well as two separate terraces. The 4,131m² enclosed plot is partially wooded with a variety of tree species, including fruit trees.

This house is in excellent condition; no work is required. The two septic tanks comply with current regulations.

There is a bakery and a grocery shop just 2 minutes away, and the shopping area of Marsac-sur-l'Isle is 15 minutes away, with its supermarkets, pharmacy and all kinds of shops.

Périgueux, the prefecture of the Dordogne, is 20 minutes away (train station)

Bordeaux is 1 hour 30 minutes away

Bergerac is 50 minutes away (airport)
