NOTES

DESCRIPTION

You enter into a bright living/dining with a fitted corner kitchen (24.3m²). There is underfloor heating, a fireplace ready for a woodburner if desired, and direct access out to the back garden. Fitted corner kitchen with plenty of storage space and works surfaces along with a built in electric oven with gas hob.

The original oak staircase leads to the first floor where you'll find a double bedroom (9.6m²) with original wood flooring, a built-in cupboard and feature fireplace. There is also a box room (6.8 m²), perfect as a single bedroom, dressing room or office, again with original wood flooring. The bathroom (3.8m²) on this floor includes a bath with overhead shower, WC and wash basin.

The oak staircase continues up to the second floor (16.8m²) where there is a further bedroom with original oak beams, a vaulted ceiling and a large Velux window, creating a light and airy space that works perfectly as a main bedroom.

Outside, there is private space with a large decked terrace and lawn area (artificial grass for easy maintenance). A real sun trap and a great spot for relaxing, entertaining or enjoying an aperitif.

St Fraimbault is a pretty village with lakeside walks, a local bar and restaurant, and from 2027 a convenience store selling local produce and fresh bread. The surrounding area is known for its cider and calvados from nearby farms, and the beautiful medieval town of Domfront is just 15 minutes away.
