IN BRIEF

SORRY, UNDER OFFER! This is a property to fall in love with - inside the traditional exterior stone walls of this building that was converted into a house in 2017, you have a gorgeous modern, stylish home. This was extended in 2022 to add an annex, currently used as an office but could easily be spare accommodation with it's own shower room and toilet next door. From both the house and the annex you have views over the lake. The house is complemented by a terrace with a pergola to give shade and protection so that you can sit outside and enjoy your relaxing meal or casual party or whatever you want to use it for. During the redesign, thoughtful technical touches have been added such as remote-controlled blinds (handy for the ceiling velux windows!), a...

DESCRIPTION

So many good things to say about this gorgeous property but the best way to explain it is for you to come and see it. On the edge of a hamlet with countryside beyond the property, it has a remote-controlled gate with camera system. The front door leads into the hallway with a toilet and a utility room area. To the right is the annex bedroom with its own shower room and to the left is the lovely open living area - kitchen with integrated appliances and filter tap and the lounge space with a woodburner and patio doors out to the terrace with a pergola not just for shade from above but with incorporated retractable sunshades around the sides. Off the lounge are the 2 bedrooms, built into the eaves of the original side shed, compact but adequate, and another shower room (with plumbing to install a bath if you wish) and separate toilet.

The property is fenced all around, the lake which pre-dates the property conversion, runs from a depth of around 50cms to 3m and contains carp, pike, perch and zander fish of various sizes.

There are useful outbuildings in the large grounds and plenty of space for the chicken run and a vegetable garden. The septic tank was installed during the conversion in 2017.

There is a school bus stop in the hamlet, the dual carriageway to Rennes or Nantes is approx 5 mins' drive, Guipry/Messac station...
