NOTES

DESCRIPTION

This is an excellent opportunity to own a village house offering a renovation project with great potential. The downstairs has been remodeled completely but the upstairs needs renovation.

Downstairs the entrance opens up to a large living area of 38 m² that includes a living room and a kitchen. The hallway gives access to a separate toilet, a laundry room, a bathroom and a large 17.5 m² bedroom.

A staircase brings you to a landing area that gives access to 2 bedrooms of 9 and 12 m² respectively as well as a 9 m² bureau that can easily be turned into a bathroom. Renovations on those rooms have been started but not finished. There is also an attic. The bigger bedroom has a fire place operational but not in use at this time.

Downstairs at the end of the hallway you can access the 450m² outside garden with its own well. There are also a 15 m² attached barn and a small shed.

Windows downstairs are double sided. Electric heaters are cast iron and of superior quality. The water heater is 100 liters. The house has main drain.

The house is located in the center of Mezières-sur-Issoire village with its café/épicerie and there is also a bakery. You are 12 minutes away from the town of Bellac which offers all the necessary amenities. And also 40 minutes away from the Limoges airport.
