NOTES

DESCRIPTION

This high-quality chalet was built in 2018 by reputable local artisans and offers approximately 120 m² of habitable space on a 600 m² plot, with parking for 3 vehicles and breathtaking mountain views.

Electric underfloor heating throughout

The first-floor two-bedroom apartment features a bright open-plan living area with a bioethanol stove and wrap-around balconies facing north, east, and south. There is also the option to install a wood-burning stove if desired.

The living space benefits from a vaulted ceiling, large picture windows, and sliding doors opening onto a balcony with views towards the iconic Montagne du Criou. Two elegant bedrooms offer flexible double or twin configurations, each complemented by beautifully finished bathrooms.

On the ground floor, the property includes a further one-bedroom apartment alongside a self-contained studio and a charming garden mazot/workshop with additional potential for conversion to habitable space (subject to planning permission).

A shared ski room with heated boot warmers and laundry room on the ground completes this superb alpine property.

This is a distinctive home with very few comparable opportunities currently available.
