DESCRIPTION

A driveway leads to the conservatory at the front of the property. To the side, the vendor has created an enclosed porch for indoor animals that can be kept as is, or changed to suit.

From the conservatory, the door opens onto the large kitchen/diner/living area with pellet burner. The kitchen leads to the first bedroom, with en-suite shower and WC.

Returning to the living area, a wooden staircase takes you to the mezzanine, currently used as a study/sewing room, through which you pass to enter the second bedroom with an en-suite Breton bath and WC.

Outside are very pretty gardens and the property's garage is a little further down the lane.
