DESCRIPTION

Set on the edge of the charming village of Plougonver, this attractive property, built in 2009, offers a rare combination of quality construction, generous proportions and peaceful countryside living. The property benefits from a heat pump and underfloor heating.

Designed entirely on one level, the home provides comfortable ground-floor living throughout, with well-planned spaces that flow naturally and are filled with light. The property has been meticulously maintained and is presented in excellent condition.

The accommodation extends to approximately 102 m² and includes 7 principal rooms. There are four spacious double bedrooms, one of which benefits from a private en-suite shower room with WC and basin. A further family bathroom offers a walk-in shower, basin and WC.

The main living room is bright and welcoming, centred around a wood-burning stove, creating a warm and comfortable focal point. The kitchen and dining area are welcoming and bright, a separate utility room provides additional practicality and direct access to the garden.

Underfloor heating runs throughout, ensuring consistent comfort and efficiency across the home.

Outside, the property sits within a beautifully established plot of 6,756 m². The garden is mainly laid to lawn and includes a terrace area, mature fruit trees, shrubs and a productive vegetable garden. The setting offers both privacy and space, with excellent outdoor usability throughout the seasons.

Additional features include a garage and storage building with adjoining lean-to of approximately 50 m², ideal for workshop or storage use. There is also ample parking for multiple vehicles and the possibility,...
