DESCRIPTION

This lovely house is situated in a spot you will rarely find: A stones throw away -literally!- from the Treignac lake. The large front garden is actually bordering the lake! The house itself has been updated: a good-sized kitchen with a utility room next to it. It also has a lovely dining room and sitting room, both with views over the lake.

There are two cellars: one is accessible inside the house and is a real cellar: vaulted and with fresh air coming in. The other one is accessible from the outside. Upstairs you will find three good-sized bedrooms, all with a lake-view. The bathroom is at the end of the landing. The house also has a lean-to: a stone shed with a chimney and a shower.

At the moment, the house is connected to spring-water.
